Terms and Conditions

For example, if the distributor has made 1 purchase with 2 renewals, then it will not be terminated (permanent account). Ukon Sigma New can be purchased as renewal under Ukon DD if the Ukon DD account is permanent.
4. After being terminated, the distributors will not be qualified to receive commission from any Ukon sales.

7. The UKON DD E8PA holder price is available for distributors who are members of E8PA.
8. Return Policy – The applicant must return the product within seven (7) business days from purchase. Thereafter, the products shall be non-refundable or non-replaceable. However, used products or those with open packaging shall likewise be non-refundable or non-replaceable.

I have read, understood and agreed to the terms and conditions set forth in the following documents which comprise of the contract, distributor agreement, sales contract, policies and procedures, compensation plan and products.
