Dear Distributors,

We hope this email finds you well.

Enagic received the recent tax audit issues/ findings on inconsistencies over official receipts against the name registered in Enagic. It was pointed out that official receipts issued covering commissions of individual distributors were under a company name.

It was further mentioned stringent Bureau of Internal Revenue (BIR) campaign on matching of income declared against correct official receipt (OR) issued. The OR issued should match the name registered in Enagic. Otherwise, this is a statutory violation and corresponding penalty may be imposed to Enagic Philippines.

Because of this, we strongly appeal to you to secure official receipt under your individual names and correct those ORs previously issued covering this taxable year. Please provide us also corresponding certificate of BIR registration before the calendar year ends, 31December 2019.

Meantime, Enagic will put on hold commission dues until required OR is submitted and received by Enagic.

We hope for your immediate compliance on above.

Thank you.
